

TOUR MASTER

BY GULF STREAM

Picture yourself in this incredible new Tour Master bus conversion by Gulf Stream - setting a new standard against which all others will be judged.

Hand-crafted solid hardwood cabinetry, accented with beveled glass, along with the finest furnishings and exquisite lighting have been combined to create one of the most spectacular interior living spaces ever seen in a motorhome.

You'll love the new Tour Master glide-out expando model. Gulf Stream, a leader in the recreational vehicle industry for many years, has taken spaciousness and elegance into a whole new dimension with this incredible "touch of a button" expansion.

With 300 horsepower at your command, and a Spartan Mountain Master chassis with full-air brakes and suspension, the Tour Master is able to take you anywhere your heart desires, and with a ride so smooth, you'll be floating on the wings of the wind.

The new Tour Master is the result of Gulf Stream's relentless pursuit to build a motorhome that would achieve the rare combination of elegance and value, a trait that Gulf Stream is proud to be known for.

As you browse through the pages of this brochure, you will come to understand the uniqueness and superb craftsmanship that each Tour Master has to offer. Realize your dream in this Gulf Stream!

T O U R M A S T E R

BY GULF STREAM®

Stunning is the only word that properly describes this new Tour Master kitchen. As you gaze past the incredible spaciousness of this huge kitchen, you'll notice the gorgeous hand-rubbed natural hardwood cabinetry with raised-panel doors, loads of countertop workspace and a large side-by-side refrigerator/freezer. All of which adds up to an unbeatable combination for your food preparation needs.

The bath of the new Tour Master is befitting of a motorhome of this caliber. You'll be impressed with the huge walk-in residential style shower, the large mirrored medicine cabinet, and the beautiful vanity which combined with the linen cabinet offer an abundance of storage space.

The skydome above the shower floods the bath with natural light, lending to the feeling of openness in this spectacular bath, offering all the amenities of home and more.

You'll love the beautiful, inviting bedroom of the new Tour Master. The warm custom cabinetry that surrounds this large bedroom offers your very own peaceful retreat from the world. The large mirrored wardrobe, and other storage cabinets are accented with sophisticated window treatments and vista lighting that creates an atmosphere fit for a king.

package offers exceptional refinement and elegance with its beautifully crafted Ivory Mirage cabinetry, accented with ceramic tile flooring and sculptured carpeting.

Gulf Stream designers have worked to create beautiful window treatments and delicate crystal lighting that exude elegance and help make your Tour Master unique.

Envision you and your friends in this spacious living area, sinking into new realms of comfort in the Tour Master's fine leather seating.

The large kitchen and dinette are perfect for both preparing and enjoying meals. You'll never lack for food storage space, with Tour Master's large side-by-side, refrigerator/freezer with designer panels.

Your favorite music never sounded better, as this new Tour Master features a state-of-the-art home stereo system that includes a six-CD changer, dual cassette player, multi-functional stereo receiver and sound enhancing speakers.

For proper entertaining, the overhead television is conveniently located for all to see, while the Tour Master's ergonomically designed cockpit offers the driver total control of every system and function of the unit at the touch of a button.

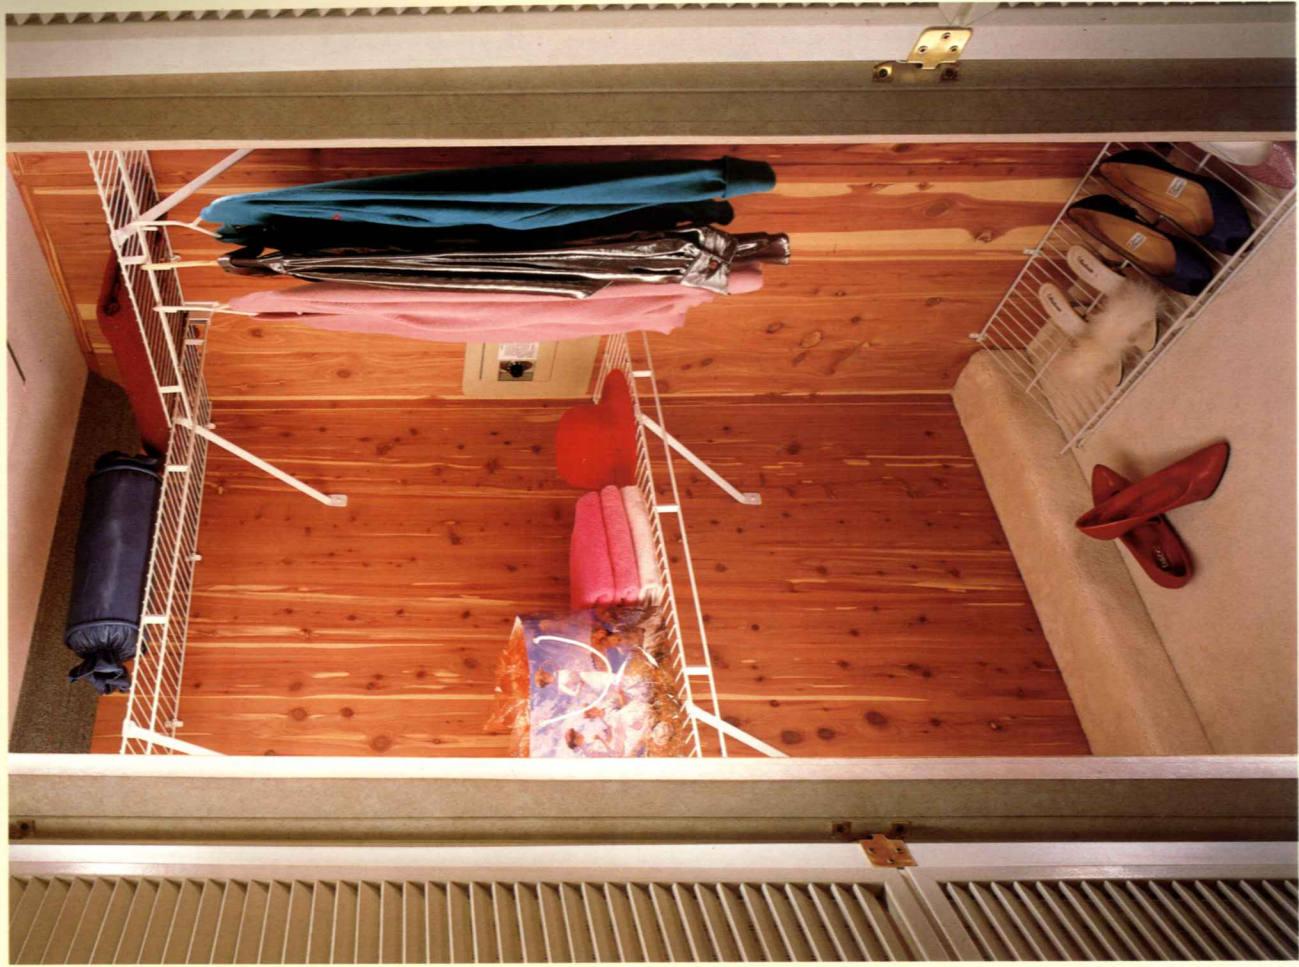

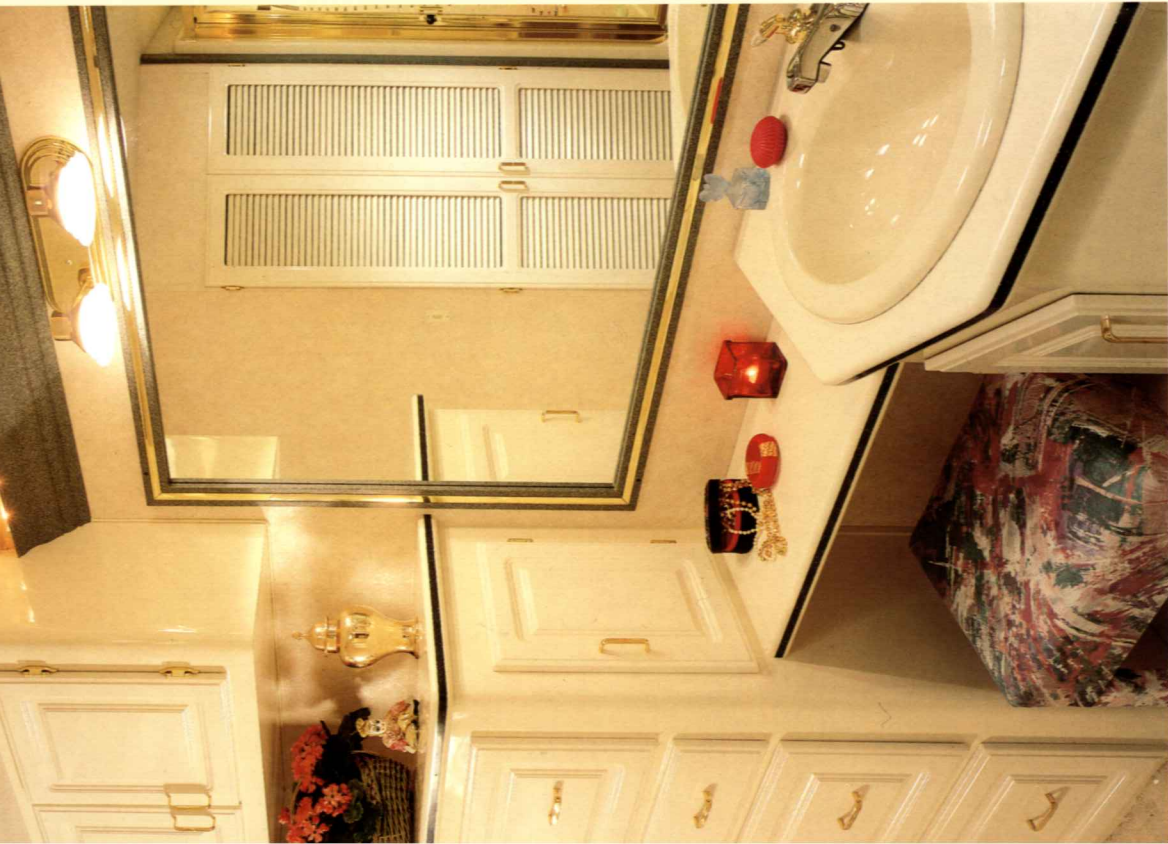

Never before has there been this kind of luxury in a motorhome, available for such an economical price. If you are in the market for the best value for your dollar, the new Tour Master is your best choice!

"CONV ERS I O N"

This roomy Tour Master bath, with its sculpted mirrored vanity area, is perfect when preparing for those special occasions. Countertop and storage space abound, including the large built-in dresser. Another popular feature is the roomy full-size residential shower/tub combo.

You'll never want for more wardrobe space in this Tour Master. The walk-in closet of this model is lined with cedar and features shelving units to utilize even more storage space.

The white louvered doors on the walk-in closet help show off that famous Tour Master "touch of class".

TOUR MASTER'S FEATURES

Tour Master's state-of-the-art home stereo system is conveniently located in the refreshment area, alongside the optional ice-maker. The stereo system features a six-CD exchanger, a dual cassette player, multi-functional receiver and sound enhancing speakers located throughout the coach.

(Note: the stereo is standard in the conversion package only)

When we say the Tour Master offers the amenities of home, we mean it. Our optional combo washer/dryer option allows you to keep your wardrobe fresh while tra-

This 19" color television is conveniently located where every one can enjoy it. The instrument panel on the left allows the driver total control of the functions and systems of the motorhome at the touch of a button.

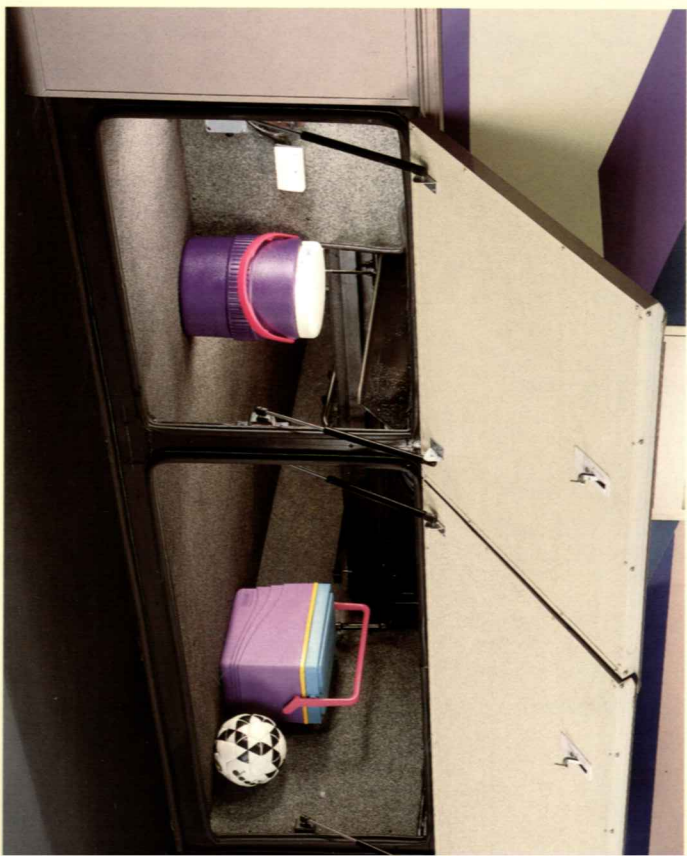

Tour Master's easy access diesel generator is located in the front bumper for ease of service and maintenance. The generator opens electronically with a safety catch for added security.

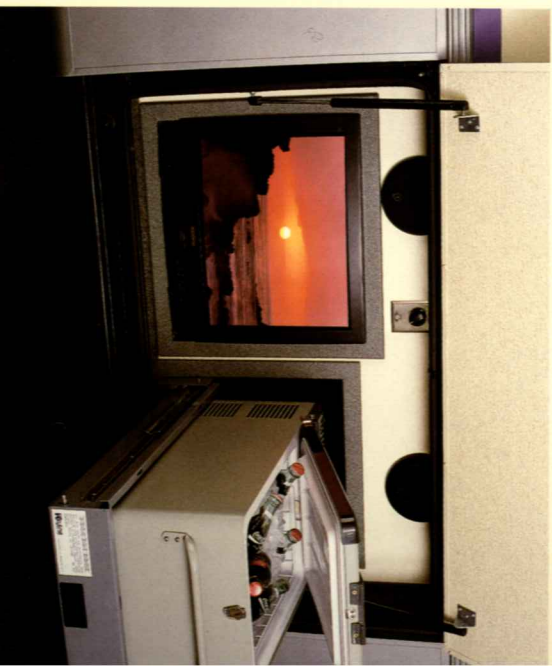

The deluxe halogen headlights and optional fog lights offer improved visibility.

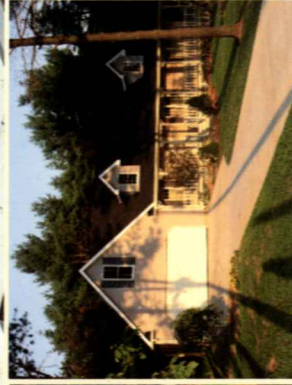

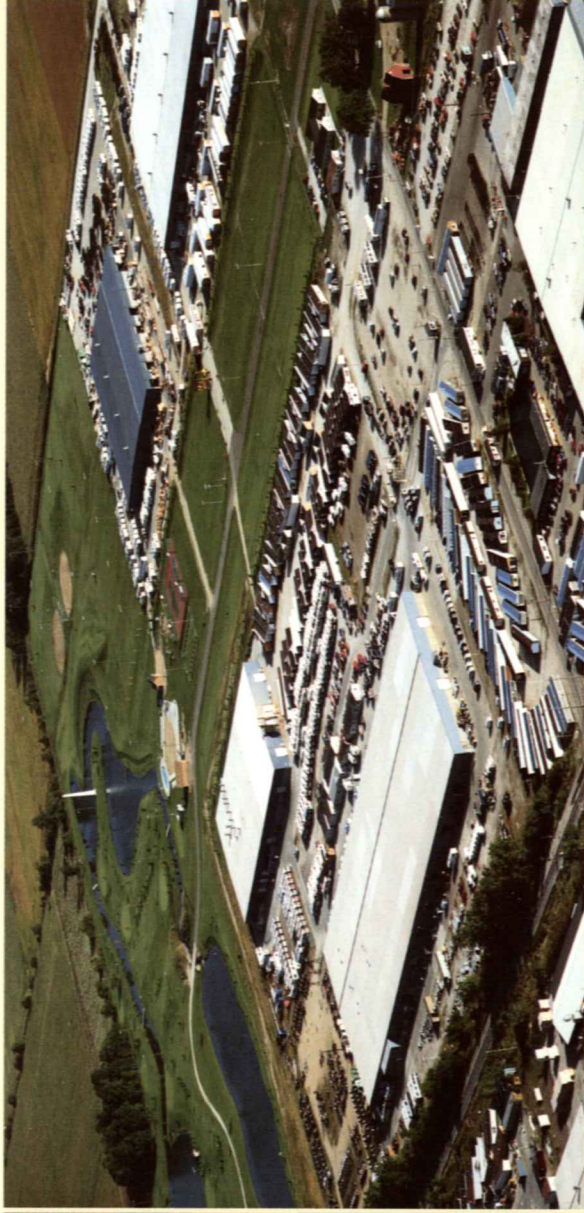

TOUR MASTER FEATURES

The new Tour Master features full pass-through exterior compartments that are lighted, heated and carpeted for safe holding of your most prized possessions and luggage. Cradled within this steel floor trussing, this storage system offers unsurpassed security, accessibility, capacity and convenience.

You'll be the hit of the tailgate gathering with Tour Master's optional outdoor entertainment center. Fully equipped with stereo speakers hooked up to the inside sound system, a 13" color TV wired to the VCR, and a 12V cooler

Pictured above is a portion of Gulf Stream's manufacturing complex in Nappanee, Indiana, the heart of Amish country. The complex, along with Gulf Stream's affiliate, Fairmont Homes, Inc., covers over 300 acres and includes more than 1.5 million square feet of manufacturing facilities under roof. In the background, you can see Gulf Stream's private country club which includes a nine-hole golf course, a beautiful clubhouse and swimming pool. The country club is dedicated to Gulf Stream employees and the members of the Gulf Streamer's International RV Club. Also pictured above are a variety of the fine Gulf Stream and Fairmont product offerings. With combined sales exceeding \$400 million, you can be sure that Gulf Stream has the financial stability to stand behind their quality products for years to come!
